| <b>Test:</b> INR                         | <b>Value:</b> 2.7 |
| <b>Flag:</b> High                        |                   |
| <b>Notes:</b><br>On warfarin; target 2–3 |                   |

#### 06/22/2026 06:55

|                         |                   |
|-------------------------|-------------------|
| <b>Test:</b> Creatinine | <b>Value:</b> 1.7 |
| <b>Units:</b> mg/dL     | <b>Flag:</b> High |

#### 06/22/2026 06:55

|                               |                    |
|-------------------------------|--------------------|
| <b>Test:</b> Hemoglobin (Hgb) | <b>Value:</b> 10.2 |
| <b>Units:</b> g/dL            | <b>Flag:</b> Low   |

### Imaging

#### Echocardiogram · 06/22/2026 05:55

Left ventricular ejection fraction 30%. Global hypokinesis. Moderate mitral regurgitation. Mild left atrial enlargement.

Chest X-ray (portable) · 06/22/2026 04:55

Cardiomegaly with pulmonary vascular congestion and small bilateral pleural effusions. Findings consistent with congestive heart failure.

Consults

No entries recorded.

Nursing Notes

Shift assessment · 06/22/2026 12:55

Mild SOB on exertion. Lasix given. Output adequate.

MAR

| Drug                | Dose   | Route | Frequency | Scheduled times | PRN |
|---------------------|--------|-------|-----------|-----------------|-----|
| Furosemide          | 40 mg  | IV    | BID       | 08:00, 20:00    |     |
| Metoprolol tartrate | 25 mg  | PO    | BID       | 08:00, 20:00    |     |
| Warfarin            | 5 mg   | PO    | daily     | 17:00           |     |
| Potassium chloride  | 20 mEq | PO    | daily     | 09:00           |     |
| Acetaminophen       | 500 mg | PO    | q6h PRN   |                 | Yes |

Orders

Diet · 06/22/2026 02:55

Cardiac diet, 2 g sodium, 1500 mL fluid restriction.

Activity · 06/22/2026 02:55

Activity as tolerated; up with assist.

Daily weights · 06/22/2026 02:55

Standing weight every morning before breakfast.

Strict intake & output · 06/22/2026 02:55

Chen, Maya

MRN 002 · continued

Record all PO, IV, and urine output q shift.

Labs · 06/22/2026 02:55

BMP and BNP in AM. INR daily.

Monitoring · 06/22/2026 02:55

Continuous cardiac telemetry. SpO2 monitoring.
